Design:
Quantity: 10
Material: transparent acrylic (5mm)
Source file: **Design.svg**
          I've also exported this design as **Design.dxf**,
          but I don't have the software to check this format.
          If you use **Design.dxf**, please make sure the
          design looks as illustrated below and please make
          sure that all circles and corners are round.

          Please also let me know, if these rings are too thin.
